

## **DEAR PATRON:**

To comply with federal laws in reporting 1099 patronage dividends, we must also report the social security number or federal identification number of all patrons receiving dividends. If this is not reported, the internal revenue service will now assess your cooperative a \$50 penalty for each patron not having a social security number or a federal identification number. To comply with federal law and to avoid a \$50 penalty, we need the following information on file.

## INDIVIDUAL CONSENT & SUBSTITUTE W-9

I hereby consent to include in my gross income, as how or hereafter provided in the federal income tax laws, the stated dollar amount of each written notice of allocation which I receive from Enerbase with respect to my patronage occurring during the current and all subsequent taxable years of this cooperative. This individual consent shall be revocable by me at any time if in writing.
